TRISTINE NGUYEN

UX/UI DESIGNER | ATLANTA, GA

<https://www.tristine.design>

SUMMARY

I'm a designer who solve problems with empathy. My goal is to listen, learn, and experience people's frustrations. I'm excited to learn new technologies and tools to continuously bring people together.

EXPERIENCE

GreenSky LLC

UI/UX Intern | *March 2019 - November 2019*

Developed a simple and intuitive marketing style guide for other departments to use as a reference.

Used Sketch mockups to develop InVision prototypes for demos.

Performed UX audit for outdated company sites.

Participated in bi-weekly design feedback meetings with the design team.

Participated in monthly web development meetings.

USF College of Engineering

Procurement Card Verifier | *January 2016 - March 2019*

Executed daily bank statement examinations and submissions.

USF College of Engineering

Office Assistant | *July 2013 - December 2015*

Assisted with organizing bank statements, travel documents, delivering confidential documents, and help with guest duties.

PROJECTS

virtBox

Web Prototype | <https://www.tristine.design/project1.html>

Developed a desktop cloud storage application designed for online learners.

TNRHumane

Android Mobile App | <https://www.tristine.design/project2.html>

Developed an Android mobile app that partnered with animal organizations to help humanely reduce homeless cat overpopulation while supporting local colony caretakers
